

Patients: Print this form, take it to your healthcare provider, and let them know you would like to be tested for allergies.

Your patient is requesting to be tested and treated for allergies in your office using our comprehensive allergy program.

Why patients love our program:

Our 2-minute finger prick test is quick, convenient, and 100% safe

Personalized allergy shots or drops can be ordered

We test for 165 environmental and dietary allergens and Total IgE

In-network billing with 75+ insurance plans

Secured access to digital test results in our HIPAA-compliant lab portal

Patients are 3x more compliant with our PCP-driven model vs going to an Allergist

Why providers love our program:

We proudly offer the most comprehensive and science-based allergy program in the State of Texas.

Seamless integration into your daily workflow

2-minute finger prick test at point-of-care

Test kits and prepaid shipping are provided free of charge

Allergist & PharmD directed program

Easy-to-interpret patient report is ready in 2-3 business days

Contact us today to start testing and treating your patients in-house.
